

# April 1-3, 2022 NADNP/ACDNP Dermatology Conference

## Event Agenda

Friday, April 1, 2022 at 7:00am ET - Sunday, April 3, 2022 at 5:00pm ET

**i All times listed in Eastern Time (US & Canada).**

### Friday, April 1, 2022

7:30am - 8:00am

#### Pre-conference Workshop Registration

---

8:00am - 2:30pm

#### Sherlokian Series: Includes Continental Breakfast

Debra Shelby, PhD, DNP

Sherlokian Lectures Requires separate registration. Includes breakfast

The Scene of the Crime: Basic Skin Anatomy

An overview of basic skin anatomy and function of layers, structures, and appendages.....the scene of the crime!

The Line Up Describing the Suspects

This session will help you understand primary and secondary morphology for benign lesions, skin cancer, and dermatoses. Instruction on how to approach and apply these terms to describe "the suspects".

Break

The Suspects: Common Criminals and Death Row Inmates

An overview of commonly found benign lesions, dermatoses, and skin cancers found in a skin examination.

Working the Scene: Line of Questioning, Common Diagnostic Tests, Procedures, and Pathology

A discussion on diagnostic tests, procedures, and basics of specimen preparation needed to determine or confirm your diagnosis. This includes preparation for procedures like consent, local anesthesia, hemostasis, and wound healing.

Lunch on own

Punishment that Fits the Crime: First Time and Repeat Offenders

This session will discuss current treatment options of skin cancer and common dermatoses. In addition, an overview on managing these rashes when they become difficult to treat.

---

3:00pm - 5:30pm

#### Basic Dermatology Procedures

Raymond Shulstad, DNP and Darrel Arthurs, DNP
